Formal Examiner's Amendment

[4] This formal Examiner's Amendment is responsive to the telephone interview dated Sep. 28, 2009. See attached "Interview Summary".

Examiners may use an examiner's amendment to correct a non-compliant amendment filed by the applicant if the amendment would otherwise place the application in condition for allowance (e.g., a reply to a non-final Office action or an after-final amendment includes an incorrect status identifier). See MPEP § 714, subsection II.E. Examiner's Amendments.

M.P.E.P. § 1302.04.

[5] Authorization for this examiner's amendment was given in a telephone interview with Cathy Voisinnet (Reg. No. 52,327) on Sep. 28, 2009.

This formal Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

[6] Claims 1-2, 5, 9, 11-16, and 18-21 allowed.

Reasons for Allowance

[7] The following is an examiner’s statement of reasons for allowance:

Regarding Claim 1, while the prior art of record teaches Claim 1, May 4, 2009 (see Office Action, Jun. 19, 2009), the prior art of record does not teach the selection condition setting means sets and stores, as the selection conditions:

(i) degree of under or overexposure, degree of defocus, and degree of blur, in the case of a group classified as landscape photographs; and

(ii) degree of under or overexposure, degree of defocus, degree of blur, degree of defocus of a facial portion, and whether eyes of a subject are open, in a case of a group classified as portrait photographs.

Claims 18 and 21 allowable by analogy. Claims 2, 5, 9, 11-16, and 19-20 allowable by dependency.

[8] Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance”.
